**\*ALL WORKSHOPS ARE FREE OF CHARGE**

## **Riparian Buffer Workshop: January 22, 2019 from 10:00 AM to 3:00 PM**

**The Brass Rail, 3015 Lehigh Street, Allentown** All farmers and landowners in the Lehigh Valley that own or manage land that contains or is adjacent to a stream are invited to learn about the benefits of riparian buffers to their land, the ecosystem, and water quality. Participants will also learn about creating and maintaining a natural riparian buffer, as well as various programs that may offset the cost of establishing a buffer. Registration at 9:00, program begins at 10:00 PM. included. Seating is limited; please register by 1/11/2019.

## **Manure Management Workshop: February 6 & 13 from 5:00 to 8:30 PM**

**Lehigh County Agricultural Center: 4184 Dorney Park Road, Allentown** Every farm in Pennsylvania that produces or applies manure is required to have a Manure Management Plan. 2-day workshop will walk attendees through developing their own Manure Management Plan that meets Pennsylvania environmental regulations. participant will leave with a completed Manure Management Plan. Registration at 5:00; program begins promptly at 5:30. Light dinner included. Seating is limited; please register by 2/1/2019.

## **Agricultural E&S and Online Mapping Workshop: Feb 26 & March 5,, 2019 from 9 Am to 2 PM**

**Lehigh County Agricultural Center: 4184 Dorney Park Road, Allentown** Bob Neiderer from the Penn State University Land Analysis Lab will be on-hand to walk attendees through the creation of farm maps on the PAOneStop website on day 1. On day 2, Bob will assist every attendee in developing an Agricultural Erosion and Sedimentation plan. Maps and E&S plans are required for anyone that plows or tills more than 5,000 square feet. No need to bring a computer, laptops are provided. Registration at 9 AM. Lunch included. Pesticide and Manure Hauling Credits are offered. Please Register by February 20th.

**PLEASE CONTACT DAMIAN PAINTER, AGRICULTURAL RESOURCE CONSERVATIONIST TO MAKE RESERVATIONS:**
